I have lived in Gillette/Campbell County for the past 31 of my nearly 41 years of life. I was born in California in 1972 and moved to Edmonton, Alberta, Canada in 1980. I have seen this community grow from roughly 10,000 in 1982 to nearly 30,000 today. I am proud to call Gillette my home. I have had many opportunities to leave this community, but you just can't beat North East Wyoming, more specifically Gillette to raise a family, earn a good income, get a great education, and feel safe while doing so. I feel that I have a great perspective to help promote Gillette Wyoming as a tourist destination.

From the age of 12 to 20, I was heavily involved in the Boy Scouts of America. This is where I learned my sense of Community. Having mentors such as Alan Mickelson, Herb Carter, Mike Enzi, Ed Collins, and many others taught me how important it was to be a part of a community as well as to promote my community to others. While in the Boy Scouts, I earned the rank of Eagle. My Eagle Scout project was a stuffed animal drive for the City of Gillette Police Department. I received a community honor as being recognized as one of the first 10 Who Make A Difference in Gillette, as compiled by the News Record, my senior year of high school. I worked at the Campbell County Memorial Hospital as an EMT and Respiratory Therapy Tech for 8 years. I then went to work for the Campbell County Sheriffs Office, assigned to the detention division for 10 years. I now work at Anadarko Petroleum Corp. and have done so for the past 6 plus years.

Campbell County has so much more to offer than just a place to stay, while you are on your way across the state. There is more to do than just stay the night, have a meal, and head out. We have excellent outdoor activities and opportunities such as hunting, fishing, wildlife sightseeing, multiple forms of animal watching, Sage Grouse and Sharp Tail Grouse mating rituals in the spring, and great bird migrations. We are leading the nation in terms of the mineral industry (Coal, Natural Gas, and Oil). Major rail ways cross paths in our area. We have the facilities to accommodate numerous Festivals, Guilds, Banquets, Sporting events, Major Rodeos, Events, concerts, and anything else you would travel to a larger community to experience. We need to promote Gillette as a tourist destination as opposed to a place to eat, sleep, and fuel up. I want to help to promote the community I love, Gillette, Campbell County as a Tourist Destination in North East Wyoming. Gillette Wyoming is the hub in the wheel.

I feel that it is time to give back to the community that has given me so much.

My reason to participate on the above selected Board(s) are:

Gillette is a great community and has provided me with numerous opportunities throughout my life and career. These opportunities were a direct result of the efforts and time of the volunteers before me. To serve on these boards is my opportunity to give back to Gillette and its people. I will also strive to ensure that when I am done serving that Gillette is a better place to live for my kids as they grow up and then raise their families.

As President of the Board for United Way of Campbell County, I understand fiscal responsibility. With a campaign and budget of just under \$600,000, we must make prudent and conservative decisions to achieve the most benefit to our member agencies and community. I am currently a member of the GALI class of 2012-2013 and as a group we came together to host the GALI Gala to benefit the Gillette College Foundation. This even brought in just fewer than 250 people throughout the community and was a great success. I am also currently Vice President of the Gillette Officials Association (GOA). The GOA officiates over 500 football and basketball games throughout northeast Wyoming each year. These games range for Junior High to High School Varsity to Collegiate levels.

Additionally, as a former Eagle Scout, a member of St. Matthew's Catholic Church Finance Council, and former Networking Chair of Fuel Gillette, I understand how to make decisions as board and how to work through differences of opinion. I also recognize the importance of hard work and working together as a team for the betterment of our cause.

Employer's Address: 440 N Hwy 14-16 Unit K Gillette, WY 82714

Employer's Phone Number: 307.482.9500

Length of Residency in Gillette: Since Dec 2007 5 1/2 years

This application may be subject to a personal interview by the Mayor and City Council.

As a civil engineer for Kadrmas, Lee and Jackson (KLJ) for the last five years, I have worked cooperatively with city leaders to address issues by developing solutions to problems that impact various forms of infrastructure. I have been involved in several City of Gillette projects in various phases, including planning, design and construction. Some examples include the RC Ranch Business Park, Carey Avenue Parking Lot, Kendrick Avenue Water Main Replacement and Ash Meadows Park. I wish to now share my professional practice experience to aid the community that my family calls home. I hope to help establish innovative environments and further foster community relationships. As a member of the Planning Commission I can serve as an informed liaison to help the City of Gillette prioritize their needs while keeping in mind the realities and possibilities of current and future project requirements. As cities continue to contend with changing social and environmental conditions my common sense approach will help the City of Gillette's policies remain progressive, affordable and adaptable.
