Project: Gurley Overpass Maintenance Project
Re: Award Recommendation

Dear Mr. Merchen,

We have reviewed the quote forms submitted for the above referenced project. The original quotes and bid tabulation sheet are attached for your use.

The two bidders on the project were S & S Builders, LLC and Reiman Corporation and Subsidiary. Both quotes were submitted on time and appropriately signed.

The quotes for the project ranked as follows:

The low bidder was S & S Builders, LLC at: \$ 134,751.00
The second bidder was Reiman Corporation and Subsidiary at: \$ 136,055.00

S & S Builders, LLC has a successful history in performing bridge deck maintenance projects of this nature for the Wyoming Department of Transportation.

Based on the above evaluation, we recommend that the City of Gillette award the project to S & S Builders, LLC at the quoted price of \$134,751.00

If you have any questions or comments concerning this recommendation, please call.

Respectfully,
HDR Engineering, Inc.
