Mr. Todd Merchen
City of Gillette
Engineering Department
P.O. Box 3003
Gillette, WY 82717

Project: Gillette Avenue Improvements
Re: Material Procurement Award Recommendation

Dear Mr. Merchen,

There was one bid received for the Gillette Avenue Improvements Material Procurement. The bid was submitted by Cretex Concrete Products. During our review, no bid informalities were discovered. The original bid and bid tabulation sheet are attached for your use.

The bid(s) for the project ranked as follows:

The low bidder was Cretex Concrete Products, Inc. at: \$ 239,356.00

The Engineer's Estimate was \$ 293,280.00

During the bidding process, other possible suppliers were contacted. There were other suppliers in the region that felt their location was too far away to provide a competitive bid. There was another supplier that did not get their bonding in order and therefore did not supply a bid. We feel that the unit prices provided by Cretex are reasonable. They have supplied materials for many other projects within the Gillette area and are a reputable supplier in the region.

Based on the above evaluation, we recommend that the City of Gillette award the project to Cretex Concrete Products at the bid price of \$239,356.00.

If you have any questions or comments concerning this recommendation, please call.

Respectfully,
HDR Engineering, Inc.

Heath Turbiville, P.E.
Utilities Design Lead
