Letter of Proposal

The Campbell County Observer would like to respectfully submit a bid to become the City of Gillette's official newspaper, and to receive its legal notices.

The Observer has grown since its inception in April of 2011, providing positive and information news to our great community. As you can see from the affidavit attached, the Observer continues to meet all state requirements as according to Wyoming State Statute 18-3-519 (a) .

This year's bid:

\$5.00 per column inch

All legal notices and advertising will be printed once per week, within State Requirements, which will save the taxpayers of Gillette compared to multiple prints during the same week.

We would like to thank the City of Gillette for the opportunity to submit our bid, and inform you that we have decided that 5% (five percent) of all the legal notices and advertising obtained from the City of Gillette will be donated to Local Veteran's charities through the American Legion Post 42 and the VFW Post 7756; all located in Gillette.

Please feel free to contact us with any questions you may have, we are here for your convenience.

Signed:
