To Mayor and City Council,

It is with my deepest regrets that I feel I must tender my resignation from the Campbell County Fire Board.

I have enjoyed my time on the fire board and feel I have represented the city to the best of my ability. However, due to my failing health I need to focus my energy on myself and my family, as well as my current job. I do not feel that I can give the attention needed to do the fire board and the city justice.

I believe that the city of Gillette needs strong representation on this board. For the reasons mentioned above I do not feel I am the one at this point who can provide that. Throughout my life I have always given 110% of myself in what I do, whether it has been an elected or an appointed position.

I sincerely hope that the Mayor and Council have been satisfied with my service.

Again it is with my deepest regrets that I am submitting my resignation effective January 1, 2014.

Respectfully,
