Declaring April as “Sexual Assault Awareness Month” and April 23, 2014 as “Denim Day”

Whereas, the campaigns for “Sexual Assault Awareness Month” and “Denim Day” were instituted to call attention to the misconceptions and misinformation about sexual assault. Many in society remain disturbingly uninformed with respect to issues of sexual violence; and

Whereas, with proper education on the matter, there is compelling evidence that we can be successful in reducing incidents of this alarming and psychologically damaging crime; and

Whereas, the members of the Gillette City Council strongly support efforts by the Gillette Police Department Victim Services Unit, Campbell County Attorney’s Crime Victim Office, and the Gillette Abuse Refuge Foundation (GARF) to educate persons in our community about the true impact of sexual assault in the City of Gillette.

Now, therefore be it resolved that I, John Opseth, Mayor of the City of Gillette, proclaim the month of April 2014, as

Sexual Assault Awareness Month and April 23, 2014 as “Denim Day”

City of Gillette

John Opseth, Mayor
