Applicant/Owner: Castle Group, LLC

Agent: Bruce Engineering, Inc.

Summary:

The applicant is seeking Final Plat approval to subdivide seven (7) lots into four (4) lots for the purpose of future residential development. The new lots will be Lots 4A, 10C, 11C, and 12C, Block 3, Castle Heights Estates Subdivision, Phase 1.

Background:

Castle Heights Estates Subdivision is located immediately north of Lakeway Road and east of Burma Road. The proposed lots will have access via Jordan Drive and Moonlight Drive to Lakeway Road. The property has a zoning designation of R-2, Single and Two Family Residential. The owner desires to create single family lots from existing duplex lots. The proposed lots are larger than the minimum requirement of 6,000 square feet and range in size from 14,171 square feet to 17,843 square feet.

The proposed subdivision already has all public improvements, including paved streets, sidewalks, water and sanitary sewer. The owner will need to remove unused services since the amount of lots in the subdivision will be reduced.

Planning Requirements:

1. A Title Report shall be submitted prior to recording the plat and a Consent to Subdivide document shall be provided if necessary.
2. Adhere to notes about the plat from the County Assessor's Office, the County Clerk, City GIS and City Planning.
3. All unused services are to be removed prior to recording the plat either through a Recorded or Unrecorded Plat Agreement.
4. Relocate electrical, gas, cable or any other utility equipment or services as necessary. The relocation of the subdivision improvements shall be by a Recorded or Unrecorded Plat Agreement.
5. Relocate and show on the plat all new Utility Easements due to utility equipment or services relocation.

Staff Recommendation:

Staff recommends approval of the Final Plat for the Resubdivision of Lot 4, Lot 10A, Lot 10B, Lot 11A, Lot 11B, Lot 12A and Lot 12B, Block 3, Castle Heights Estates Subdivision, Phase 1, subject to all Planning requirements.

This case is tentatively scheduled for review by the City Council on May 20, 2014 in the City Council Chambers at 7:00 p.m.
