Attached Comments Sheet

I am currently serving on the Campbell County Joint Fire Board and have been a member since February 2014.

In addition to the Fire Board I am serving on the Campbell County Lodging Tax Joint Powers Board and the United Way of Campbell County board. I plan to continue serving on the Lodging Tax Board and my term for the United Way will end in June of 2014.

In the past I have served as a board member for the Child Developmental Center of Rock Springs Wyoming. I held the position of President for both the United Way and CDC boards during my service. I am a June 2013 graduate of the Gillette Area Leadership Institute (GALI) and am now serving on the GALI steering committee. My current employment is with PacifiCorp where I hold the position of Director of Plant Operations and Maintenance for the Wyodak Power Plant. I served as a volunteer fireman in Lander Wyoming in the early 1990s.

My background and work history have made me a good fit for the Joint Fire Board. I am using my skills and past experiences to help direct and lead the Fire Board. I have been a strong advocate for the City of Gillette in my short term on the board and will continue to argue for the City's opinion.

As a board member I understand the commitment required by this position and have made every effort to help as much as needed. I have not missed a meeting or a workshop and will continue to put in a strong effort if I am reappointed.

Thanks you for your consideration.
