Re: Gillette Madison Pipeline Project - Contract #7
Pine Ridge Disinfection Facility
Award Recommendations

Dear Mr. Jensen:

Pre-qualification letters for the Gillette Madison Pipeline Project Pine Ridge Disinfection Facility Contracts #7 were issued to four (4) general contractors on September 25, 2014. The project bid at 2:00 pm on December 4, 2014 and two (2) bids were received, both from pre-qualified contractors; Aslan Construction and COP Wyoming.

Both bidders provided the requisite bid bond and acknowledged Addenda 1-5 on their respective bid forms. COP Wyoming provided a Certificate of Wyoming Residency with their Bid. Aslan Construction did not claim Wyoming Residency, but submitted the required qualification to conduct business in the State of Wyoming. The following table summarizes the bid results and includes the 5% preference added to Aslan Construction's bid as a non-Wyoming bidder in accordance with Section 00200 Article 12.04.

Gillette Madison Pipeline Project – Contract #7 Pine Ridge Disinfection Facility - Bid Results		
Bidder	Lump Sum Bid Price	With Wyoming Preference
COP Wyoming	\$5,730,000	\$5,730,000
Aslan Construction	\$5,918,598	\$6,214,528

Considering the bids received and the Wyoming contractor preference, we recommend that the Gillette Madison Pipeline Contract #7, Pine Ridge Disinfection Facility, be awarded to COP Wyoming in the amount of \$5,730,000.00. The Wyoming based company has met the pre-qualification criteria, provided the lowest bid, and provided all necessary documentation during the bid process.

Feel free to contact me with any further questions (303) 474-2226.

Sincerely,

Anthony C. Beeson, P.E.
Project Engineer
