OFFICE OF STATE LANDS AND INVESTMENTS

Instructions to complete the Application Summary Form for Governmental Entity Grant and/or Loan assistance.

An application Summary Form is to be completed and accompany each application when applying for funding from one or more of the following programs:

Federal Mineral Royalty Capital Construction Account Grants (MRG)

Wyoming Joint Powers Act Loans (JPA)

The Office of State Lands and Investments will reproduce and provide the completed Summary Form to the State Loan and Investment Board as the applicant's summary of the request for funding. The applicant should view this form as its opportunity to inform the Board of the need for the project and reason the applicant feels the state should help in financing the project. There is no limit on the length of the Application Summary Form, please attach additional forms if needed. However, the Office suggests a bulleted format and the applicant should bear in mind the time constraints of the State Loan and Investment Board.

The narrative provided in the form should include at a minimum the following information:

- ☐ The type of entity the applicant is (city, county, water and sewer district, etc.).
- ☐ The approximate population of the applicant that the project will serve directly and indirectly.
- ☐ A brief description of the project and why the applicant needs the project.
- ☐ The requested amount from each funding source requested by the applicant and the percentage of the total project cost requested from each funding source.
- ☐ The applicant must also describe the source and the status of all matching funds. ☐ The applicant must provide an estimated project schedule that addresses planning, design and construction of the project.
- ☐ If the applicant submits multiple applications for consideration at one meeting, the applicant must provide its priority ranking of those applications.
- ☐ If the applicant needs the project to meet a federal or state health and/or a safety requirement the applicant must provide the specific health or safety requirements the project will address.
- ☐ If applying for a loan the applicant must list all sources of proposed security for the loan.

For special districts, the following information is also required:

- ☐ The geographical area the special district covers and the date when the County Commissioners formed the district.
- ☐ If the applicant is water and sewer district or an improvement and service district, the narrative must include the number and type of lots the project will serve initially and the total number of lots in the district and the current zoning of the district. For example, is the district zoned for residential use only or for commercial use or for a combination of uses?
