Re: Notice to terminate Amendment No. 2 to Gillette, WY FES Contract No. 87-LAO-115

Dear Mr. Neumayer:

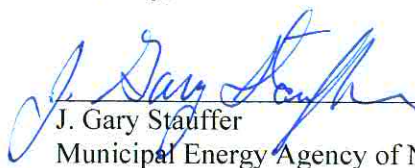

The City of Gillette, Wyoming (City) has elected to give notice to terminate Amendment No. 2 to Firm Electric Service Contract No. 87-LAO-115 executed August 31, 1995. This termination will become effective on April 1, 2015 and reinstate the City's Firm Electric Service Contract No. 87-LAO-115 effective on April 1, 2015.

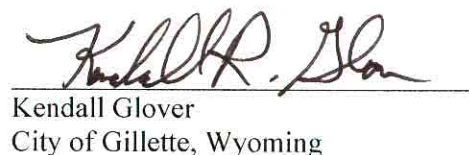

Additionally, the City and the Municipal Energy Agency of Nebraska (MEAN) have elected to give notice to terminate the Agreement for Purchasing Agent Services between the City and MEAN, executed as of August 19, 2014, to be effective April 1, 2015. MEAN has also elected to give official notice to remove the City's firm power allocation from Firm Electric Service Contract No. 89-LAO-481 between MEAN and the Western Area Power Administration (WAPA), effective April 1, 2015.

Accordingly, this letter shall serve as official notice to terminate Amendment No. 2 to Firm Electric Service Contract No. 87-LAO-115 between the City and WAPA; terminate the Agreement for Purchasing Agent Services between the City and MEAN; and serve as official notice to remove the City's firm power allocation from Firm Electric Service Contract No. 89-LAO-481 between MEAN and WAPA. All changes shall become effective on April 1, 2015. The removal of the City shall not affect provisions of the Agreement which are intended to survive changes.

If you have any questions for the City regarding this letter, please contact Kendall Glover, Utilities Director at 307.686.5262. If you have any questions for MEAN, please contact Michelle Lepin, Staff Attorney at 402.474.4759.

Sincerely,

J. Gary Stauffer
Municipal Energy Agency of Nebraska
