

CONGRATULATIONS!!
YOU HAVE BEEN SELECTED BY THE
EMPLOYEE RECOGNITION COMMITTEE
TO RECEIVE THE *P.R.I.D.E.* AWARD
FOR THE 1ST QUARTER, 2015

April 23, 2015

The City Administrator, Mayor and Council would like to congratulate the Water Division on achieving the 1st Quarter *P.R.I.D.E.* Award for 2015. You were nominated by your peers for your outstanding commitment to the City of Gillette. You were chosen based on your ability to exemplify the City's core values: *P*roductivity, *R*esponsibility, *I*ntegrity, *D*edication, and *E*nthusiasm.

The Utilities Water Division has had an integral part in the Madison water supply system. During the planned pipeline shutdown, the team ensured that the fluoride levels were met all while tending to a four-day power failure at a pump station, a rupture in a pipeline by a boring contractor and three well failures; all of which happened during a subzero cold spell. Through all of this, water service was never interrupted for our customers due to the hard work and dedication of the water division.

Standing 'true to their word' to the public, they came up with an action plan and with help from Engineering firms, they were able to quickly develop support for Project Management, Vendor coordination and prepare a tech memo for DEQ submittal. The group of individuals never gave up during the 90 days of shut down, power outages, pipeline ruptures and well failures....let alone the day to day activities that normally fill their day. They go the extra mile to make sure we deliver safe water 24/7 in a seamless manner for the City of Gillette community.

We are honored to present you with this *P.R.I.D.E.* Award and encourage you to continue to be an example to your co-workers.

Please accept the thanks and recognition you deserve and have truly earned for your outstanding performance and service to the citizens of the City of Gillette.

Sincerely,

J. Carter Napier
City Administrator
