Re: Gillette Youth Learning Center Project – 14EN19
SFA Project #1472
Bid Review

Dear Heath,

As you are aware, we had a very successful and competitive Bid Opening on the Gillette Youth Learning Center project on Wednesday, April 22, 2015. A bid tabulation form is enclosed for your reference.

Schutz Foss Architects has completed our due diligence review with the apparent low bidder, Norton Construction of Gillette. Our review with Doug Norton, President of Norton Construction regarding their bid, confirmed their understanding of the bid documents and associated project time line. We take no exception to the bid of \$819,590.00 tendered by Norton Construction and recommend award to them in the bid amount.

Please contact me with any questions or concerns you may have, and if we may be of any further assistance during the award and contracting period of the project.

Sincerely
Schutz Foss Architects, P.C.

Kyle L. Gillette
