Re: Gillette Madison Pipeline Project
Contract 4E - Contractor Prequalification

Dear Mr. Jensen:

Burns & McDonnell received a total of five prequalification statements for Contract 4E of the Gillette Madison Pipeline project. Prequalification statements were received from the following contractors:

- COP Wyoming, LLC, Sheridan, Wyoming
- Garney Companies, Inc., Littleton, Colorado
- Ranger Pipelines, Inc., San Francisco, California
- SJ Louis Construction, Inc., Rockville, Minnesota
- Whitaker Construction Company, Brigham City, Utah

Our team has reviewed all five of the prequalification statements and has made reference checks on relevant projects to confirm experience. Based on review of the Prequalification Statements all of the firms are considered prequalified to bid on the project.

Based on this evaluation, we are requesting your concurrence that the firms above be approved as prequalified to submit bids on the project.

If you have any questions, please contact me at (303) 474-2208.

Sincerely,
