

City Council,

I need to change the property line on my Commercial lot - 1B in Sunburst subdivision located at Chickasaw Ave. - Wigwam Blvd. I marked the property line too close to the residential lot next to it. My brother owns the residential lot and was not happy with where I marked it. So I want to move it 15' east on the Chickasaw Ave side, 8' east on the the vacated easement side. We both looked at it and agreed that this will work out better.

Thank you
