To whom it may concern,

We would like to request the movement of our current dispensing room to another location within our property. It is currently located in the center of the north side of the building in a 22'x36' room known as Dillingeer's. We would like to be granted the request to move it to the South West corner of the building, in the room formerly known as Mountain Mudd Coffee Shop. This room is a 23'x29' room that would follow all city and state statutes in the classification as a dispensing room. Please see all enclosed pictures and diagram about this space. If further information is requested, please let us know.

Thank you for your consideration in this matter.

Sincerely,
LOF Gillette D/B/A
