Re: Boxelder Road Extension – Gillette Area Urban Systems Project
City Concurrence with Bid Award

Dear Mr. Gillett,

The Gillette City Council considered the bid award recommendation from the Wyoming Department of Transportation for the Boxelder Road Extension Project from Overdale Drive to Highway 50 at the November 17, 2015 council meeting. The City concurs with the recommendation to award the project to _____ in the amount of \$_____.

We also acknowledge and accept the revisions to Exhibit B for the Cooperative Agreement (Federal Project STPU-GI 4641001 and to Exhibit B for the Cooperative Agreement (State Project ARSCT 0.00 4641A01) to reflect values from the recommended bid and to incorporate the latest Urban System funding allocation for the Gillette Area Urban Systems Program.

I appreciate the efforts that your office and the local WYDOT staff contribute to the Gillette area transportation system. We are looking forward to the completion of this project and the expansion of our arterial roadway network in the western part of the city.

Respectfully,

Louise Carter-King
Mayor
