City of Gillette Utility Department

Attention: Mr. Levi Jensen

P.O. Box 3003

Gillette, WY 82717

Dear Mr. Jensen:

This letter is to provide WWDC's concurrence to the City of Gillette to award the Gillette Madison Pipeline Project – Contract 6 Pine Ridge Water Tank project to COP Wyoming LLC for \$1,924,432.00. COP's bid included a bid alternate deduct of \$22,985 for a bolted steel tank. Per discussions between the City of Gillette and WWDO, the City agreed to pay for the cost difference between a welded steel tank and a bolted steel tank. During a March 8 phone conversation, the City of Gillette indicated they intend to award the welded steel tank. As such, the WWDO agrees to make \$1,901,447.00 project eligible for construction of the welded steel tank.

Upon execution, please provide WWDC with copies of the Contractor's Agreement, Insurance Certificates, Bonds, Notice of Award and Notice to Proceed.

Please contact me if you have any questions.

Regards,
