

QUOTE FORM
DONKEY CREEK BRIDGE OVERLAY
17EN15

Proposal of S+S BUILDERS, LLC, (hereafter called CONTRACTOR"), organized and existing under the laws of the State of Wyoming doing business as RESIDENT CONTRACTOR hereby proposes to furnish all materials and labor for: **Donkey Creek Bridge 17EN15**

This project is to perform Bridge Deck Overlay (Epoxy) to the Donkey Creek Bridge on Butler Spaeth Road (660 SY). Work will be in accordance with Wyoming Department of Transportation Supplementary Specification SS-500K, pages 1 thru 5 as revised 10/01/15. Where the specification calls for state personnel, the City Project Representative shall be replaced in the specification. Test results which have been prepared for WYDOT work in the current construction season shall be acceptable without changes in titles. Additive Bid work includes removal of existing joint material at abutments and installation of new Elastomeric Comp Joint Seal (**169 LF within a 2" gap that was the original design**), including removal Existing Joint Sealant. Work shall be performed while traffic uses one half of the bridge at a time.

This work will conform to the latest edition of the City of Gillette Construction Specifications. The Preformed Elastomeric Compression Joint Seal shall be in accordance with AASHTO M220 (ASTM D 2628), Manufactured to a size and shape proposed by the manufacturer after approval by the engineer based on submission of the following:

1. Proposed seal type and dimensions, including computations that show the material will be in compression over the temperature range from - 40°F to 120°F and
2. Recommended Joint width and depth dimensions.

When recommended by the manufacturer, use and approved lubricant-adhesive, compatible with the seal, in accordance with ASTM D 2835, to provide lubrication

and bond for the seal. Work will also be in accordance with Wyoming Department of Transportation Supplementary Specification SS-500K, pages 1 thru 5 as revised 10/01/15.

By submission of this QUOTE, each CONTRACTOR certifies, and in the case of a joint QUOTE each party thereto certifies as to his own organization, that this QUOTE has been arrived at independently, without consultation, communication, or agreement as to any matter relating to this QUOTE with any other CONTRACTOR or with any competitor.

CONTRACTOR hereby agrees to commence WORK under this contract on or before a date to be specified in the NOTICE TO PROCEED and to fully complete the PROJECT in **20** calendar days after the Notice to Proceed is issued.

CONTRACTOR further agrees to pay as liquidated damages, the sum of **\$100.00** for each consecutive calendar day that expires after the specified completion date until the work is completed.

CONTRACTOR agrees to perform all the work described in the QUOTE for the following sum: \$ 37,815.00. The quantities are estimated and may increase or decrease. In case of changes in quantities, time and material prices shall govern.

Additionally, the CONTRACTOR agrees to remove sealant and existing joint material replacing the joint material. (169 LF), if included in the Notice to Proceed for the following sum: \$ 9,295.00.
