RE: Donkey Creek Festival Improvements Project Bid Award Recommendation.

Dear Mr. Hamilton,

I have reviewed the bid forms and bid bonds submitted for the above referenced project. The original bids and bid tabulation sheet are attached for your use. Seven (7) Contractors submitted responsive bids on February 22, 2017 including Van Ewing Construction Inc., Hladky Construction, Mountain View Builders, DRM, S & S Builders, GW Construction, and Powder River Construction (PRC). All bids were submitted on time and had the required Bid Bond. All bids were from resident contractors and included a certificate of residency. There were two addendums which were acknowledged by all bidders. During my Bid evaluation, there were no discrepancies found with the bid requirements as outlined in the Instructions to Bidders.

The bids for the project, Base Bid plus both alternates were as follows:

Van Ewing Const.	\$85,631.94
Hladky Construction	\$86,695.00
Mountain View Const.	\$87,586.00
DRM	\$94,394.25
S & S Builders LLC	\$97,145.00
GW Construction	\$105,498.10
PRC	\$109,140.00

Van Ewing Construction Inc. has been contacted and are comfortable with their bid and the time constraints of the project. Because the Base Bid and the two alternates combined are below the estimate for the project and based on the above evaluation, I recommend awarding the Base Bid and both alternates to Van Ewing Construction Inc.

Please let me know if you have any questions regarding this recommendation.

Best Regards,

Jade Butler
Engineering Specialist
