Architect's Project #1517
Project Closeout

Dear Luke,

We are pleased to acknowledge that the work of the aforementioned project has been completed by the CMAR, Hladky Construction, Inc. As such, we recommend closeout of the project and release of all remaining retainage.

It has been a pleasure to work with HCI and your office on this project. Please let us know if we can assist with any other matter.

Sincerely
Schutz Foss Architects, P.C.
