Proclamation June as National Safety Month

- Whereas,** June is National Safety Month focusing on reducing leading causes of injury and death at work, on the road and in our homes and communities.
- Whereas,** According to National Safety Council estimates 40,000 people died in motor vehicle crashes in 2016. That is a 6% increase over 2015 numbers and a 14% increase over 2014.
- Whereas,** Safety is a journey of continuous improvement by reducing risks, enhancing your system of managing safety, engaging everyone involved and measuring performance.
- Whereas,** Safety does not stop when you leave work, passing this philosophy on to employees and encouraging them to follow it at home creates a sustainable culture of safety.

NOW Therefore, be it resolved that I, Louise Carter-King, by virtue of the authority vested in me by the City of Gillette, County of Campbell, and State of Wyoming, do hereby proclaim the month of June 2017, as:

NATIONAL SAFETY MONTH

And call upon the citizens of Gillette to make simple changes to prevent tragedy at work, in the home or on the roadway. Don't get tripped up! Keep an eye out to prevent falls. Remember, Safety is Everyone's Responsibility. Keep Each Other Safe.

ADOPTED this 16th day of May 2017

Louise Carter-King, Mayor

(Attest)

Karlene Abelseth, City Clerk
