Natalie Buchwald presented Case No. 17.0031PUDF.

The owner is seeking approval of a Final Planned Unit Development Plat known as the Second Amended Planned Unit Development Plat that would amend the previously approved Amended Final PUD Plat for RC Ranch Business Park I.

The RC Ranch Business Park is located west of Enzi Drive, just north of West Shoshone Avenue. The RC Ranch Business Park was established by S&S Builders, LLC, and was proposed in 2007 to be developed in three phases. The first phase was the development of Lots 1-5 of the RC Ranch Business Park. The second phase of development began in 2015. This is the third phase of this development and proposes to resubdivide Lot 7 into five lots, Lots 7A through 7E.

The RC Ranch Business Park Planned Unit Development is a professionally planned commercial project that fosters design flexibility and compatible diversity in a single project site.

Landscaping for the site was approved by the Parks & Beautification Board on September 27, 2007.
