

I Janet Czaplá ^{have a business} live at 4005 Teepee St., Gillette, WY. I own the property located at that address. I have been advised that Jeff and Deb Deimling, owners of the property located at 4202 Wigwam, Gillette, WY, are proposing to sell their property to Wyoming Recovery, an organization that provides a residential care facility for the assessment, education, treatment, and monitoring for persons with addictions problems related to alcohol and/or chemical dependency. I have been advised that a change in the current City of Gillette, R-2 zoning code is required to allow the residential care facility to be located in the property owned by the Deimlings. I have been advised the Deimlings will be presenting an amendment to the current R-2 zoning description to the City of Gillette, to allow a residential care facility to be operated on the property.

I have no objection to the amendment of the R-2 zoning description to provide for this use of the property.
