RE: Recommendation for Award
Large Asphalt Patch Spring 2018 Project 17EN24

On March 14, 2018 at 10:00 AM, one bid was received and read aloud by the City of Gillette Purchasing Division for the Large Asphalt Patch Spring 2018 Project.

A bid was received from Simon Contractors in the amount of \$78,822.00. The bid was responsive with no errors.

This bid exceeds \$60,188.81 the remaining funds available for this project, however, the difference of \$18,563.19 can be drawn from the savings realized in the PMS 2018 Schedule A Project. A modest testing budget (\$2,000 to \$3,000) will also come from these funds.

It is recommended that Large Asphalt Patch Project be awarded to Simon Contractors in the amount of \$78,822.00.

The contractor has 15 days to complete the work.
