

## PROCLAMATION OF ALCOHOL AWARENESS MONTH 2018

**Whereas**, since 1987, the National Council of Alcoholism and Drug Dependence (NCADD) has sponsored Alcohol Awareness Month to increase public awareness, reduce stigma and encourage local communities to focus on alcoholism and alcohol-related issues; and

**Whereas**, this year's theme "Changing Attitudes: It's not a' rite of passage'": Parents Can Make a Difference in Teen Alcohol Use" is aimed at educating people about the treatment and prevention of alcoholism, particularly among our youth, and the important role parents can play in giving kids a better understanding of the impact that alcohol can have on their lives; and

**Whereas**, adolescence is a time of heightened risk-taking and as alcohol and drugs enter the picture, parents should take an active role in learning about alcohol and drugs and helping their kids do the same; and

**Whereas**, alcohol use by young people is extremely dangerous – both to themselves and society, and is directly associated with traffic fatalities, violence, suicide, educational failure, alcohol overdose, unsafe sex, and other problem behaviors; and

**Whereas**, reducing underage drinking is critical to securing a healthy future for America's youth and requires a cooperative effort from parents, schools, community organizations, business leaders, government agencies, the entertainment industry, alcohol manufacturers/retailers and young people; and

**Whereas**, although it can be daunting to talk with children about drinking and drug use, research has shown that kids who have conversations with their parents and learn a lot about the dangers of alcohol and drug use are 50% less likely to use these substances than those who don't have such conversations; and

**Whereas**, the City of Gillette is committed to raising public awareness about the use of alcohol and how it may be affecting individuals, families and the community;

**Therefore** I, Louise Carter-King Mayor of the City of Gillette, along with Campbell County Prevention Council, the National Council on Alcoholism and Drug Dependence and the Campbell County Impaired Driving Task Force do hereby proclaim the month of April, 2018 as

## “Alcohol Awareness Month”

As Mayor, I call upon all members of our community to support efforts that increase community awareness, understanding and action to reduce underage drinking and to prevent alcohol related harms in our community.
