

Planning Requirements

18.034Z

Zoning Map Amendment - Chevrolet Subdivision and Westover Hills Subdivision

The Planning Requirements are as follows:

1. Any future development of the property will require review by the city Planning and Building Divisions.
2. No uses will be allowed upon the subdivided lots except those enumerated within the A, Agricultural District.
3. Requests for use of City utilities on the subdivided lots will require review, zoning compliance and appropriate tap fees for the requested use.
