## 2019 1ST QUARTER P.R.I.D.E. AWARD

### Vicky Skadsem

The Mayor, Council, and City Administrator would like to congratulate Vicky Skadsem in Building Inspection for achieving the 1st Quarter P.R.I.D.E. Award for 2019. She was nominated by her peers for outstanding commitment to the City of Gillette and was chosen based on her ability to exemplify the City's core values. Productivity, Responsibility, Integrity, Dedication, and Enthusiasm.

Vicky has a wealth of knowledge as a Permit Technician and continually learns as much as she can about building codes. She participates in committees and assists other people with their jobs. Vicky does all this by being productive, taking responsibility for her job, and even at times other jobs. She has impeccable integrity, and she shows great dedication to the City of Gillette by doing her job excellently.

Vicky is responsible for many duties and does her job with class. She interacts with customers daily, either on the phone or in person, and always takes the time to explain things to citizens when issuing building permits. She often walks developers through the process of using E-Plans and assists them with any questions they have.

Vicky is always diligent about helping other departments such as assisting the water department in researching tap fees or working with GIS to make processes smoother. She keeps herself informed of new building codes and works closely with the Engineering and Planning departments. She always makes it a point to continue learning and to bring new knowledge to her department.

Vicky was recently asked to be a part of the Wyoming Association of Permit Technicians. She developed a logo for the Association and even took the time to create a Facebook page for it. On a personal side, she is also a member of the Wyoming All Around Gundog series and she organizes and cooks for the large scale events and while at home she cares and trains the dogs.

Vicky is not only an exceptional employee but also takes the time to be an outstanding member of our community. Thank you for all that you do for the City of Gillette and your incredible dedication to our organization.

Sincerely,

Patrick Davidson  
City Administrator
