

MONTGOMERY BAR AND HOTEL, INC.
100 S. GILLETTE AVENUE
GILLETTE, WY 82716

To Whom It May Concern:

Montgomery Bar would like to propose an outside seating area in our back parking lot. The area would be approximately 20' x 30' and would be surrounded by 6' tall panels. The seating area would only be accessible through a back door of the bar.

Patrons would be allowed to take drinks outside, but there will not be a separate bar outside.

This outside seating area will only be used during the months of June through September.

Enclosed is a picture and drawing of proposed area.

Sincerely,

A handwritten signature in cursive script that reads "Cindy Parsons".
