

PROCLAMATION

WHEREAS, Wyoming's certified drinking water treatment, drinking water distribution, wastewater collection and wastewater treatment operators are professionals that perform a vital service for our state;

WHEREAS, Wyoming's professional operators protect public health by removing contaminants from our drinking water, delivering safe drinking water to our taps, efficiently delivering wastewater to treatment facilities, and correctly treating wastewater;

WHEREAS, Wyoming's professional operators preserve the high quality of Wyoming's lakes, rivers and streams by ensuring the proper treatment of wastewater;

WHEREAS, Wyoming's professional operators properly operate and maintain water and wastewater equipment and facilities, ensuring the longevity of one of the state's largest infrastructure investments;

WHEREAS, clean, safe drinking water and our pristine natural environment is central to our quality of life and Wyoming's future;

WHEREAS, it is fitting to recognize and honor the work of professional operators in protecting the public's health, our environment and water resources, and the water and wastewater infrastructure of Wyoming;

Now therefore, be it resolved that I, Louise Carter-King, by the virtue of the authority vested in me by the City of Gillette, County of Campbell and State of Wyoming, hereby do proclaim February 3 – 9, 2020 as:

Wyoming Professional Water and Wastewater Operator Week

Dated this 4th day of February, 2020
